WE'VE EXPANDED!

Roundabout Books opened in 2016 in one of the fastest growing cities in the US, and has grown along with our community. We've recently expanded to add 1,000 sf including more fixtures and inventory!

Bend is host to 100k year-round residents and enjoys thousands of year-round visitors who come to ski at Mt Bachelor; mountain bike, climb, or hike one of the hundreds of world renowned trails; float, boat, or kayak the Deschutes river; attend one of our hundreds of festivals, markets, or concerts; and of course, visit the famous Bend breweries. Our town is the very heart of Central Oregon!
